

MAXWELL PRODUCTS

THINKING OUTSIDE THE BOX LED US TO JUST THAT:

THE BOX.

ZIPBOX

Industry's first easy open box.

No staples, no tape. Lift flap and tear open.

Sealant ready to use in seconds.

Package remnant lays flat and stacks neatly for easy removal

No knives or sharp tools required, increases worker safety and productivity.

NEXT GENERATION SEALANTS

THINK
ABOUT
THE BOX

POLYSKIN

Industry's first FULLY MELTABLE container

No hassle, material goes straight from pallet to melter

All season weather resistance for extended outdoor storage.

Structural, interlocking box design provides the industry's most stable pallet.

Quick dissolve polymer beads won't clog pumps or tangle around agitators like competitors plastic bags can.
